- understand that the school is undertaking to support us as parents and this includes helping us to keep developing as parents. We are agreeable to attend **at least one** presentation per year that outlines the aims of Christian education, provides a biblical view on parenting or promotes a biblical Christian worldview. G. ENROLMENT COVENANT

Philosophical Commitment

Final Authority for Matters of Belief and Conduct

The School's Statement of Faith does not exhaust the extent of the school's beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of MCS's faith, doctrine, practice, policy and discipline, our Trustboard is MCS's final interpretive authority on the Bible's meaning and application.

Spiritual

I desire Christian schooling for my child because I recognise that a biblical perspective views me as being responsible for my child's education.

I understand that the Statement of Faith in the Prospectus will be the foundational basis of the school's doctrinal biblical position.

Moral

I respect and abide by the school rules, particularly those of moral standards involving dress, discipline and social relationships. Further, I will endeavour to maintain an atmosphere in the home that is overtly respectful of school values.

I understand that the Biblical method of discipline involves both internal attitude correction as well as external correction. I desire that my child be confronted for attitude problems, realising that these cause behavioural problems, often of a moral nature. For serious behaviour problems, discipline is by way of suspension and/or expulsion.

Educational

I understand that the school's philosophy of Christian education requires a formal time of participating with my child in school tasks at home, and I will commit to do this.

Practical Commitment

I understand and accept that it is my responsibility to regularly plan and budget so that school fees are paid by the required dates. I understand that there will be times when a school trip involves travel from the school and I give the school authorities permission to include my child(ren) as is necessary.

I accept the school authorities undertake all matters with the care and welfare of my child(ren) foremost in their organisation and operation. I authorise school authorities to take any immediate medical action necessary should an emergency occur involving accident or injury to my child(ren). I indemnify the school of all liability with respect to my child(ren) should any accident, sickness or misfortune occur.

I have read this enrolment covenant and the school prospectus. I/We accept the conditions and statements of belief detailed in both these documents.

I understand that in the event of any breach by me/us or in the event of serious breach of conduct by the student or parent, the school may terminate this agreement.
