ENROLMENT COVENANT

Philosophical Commitment

Final Authority for Matters of Belief and Conduct

Our statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of MCS's faith, doctrine, practice, policy and discipline, our Trustboard is MCS's final interpretive authority on the Bible's meaning and application.

Spiritual

I desire Christian schooling for my child because I recognise that before God I am responsible for my child's education. I understand that the Statement of Faith and the Statement on Marriage, Gender and Sexuality as outlined in the Prospectus will be the foundational basis of the school's doctrinal biblical position.

Moral

I agree with and abide by the school rules, particularly those of moral standards involving dress, discipline and social relationships. Further, I will endeavour to maintain an atmosphere in the home that is consistent with that at the school.

I understand that the Biblical method of discipline involves both internal attitude correction as well as external correction. I desire that my child be confronted for attitude problems, realising that these cause behavioural problems, often of a moral nature. For serious behaviour problems discipline is by way of suspension and/or expulsion.

Educational

I understand that the school's philosophy of Christian education requires a formal time of participating with my child in school tasks at home, and I will commit to do this.

DECLARATION: I UNDERSTAND AND ACCEPT THE CONDITIONS OF ENROLMENT AND ENROLMENT COVENANT OUTLINED ON THIS FORM.
